BALL HOCKEY TEAM

Dear Prospective Sponsor,

I would first like to thank you in advance for taking the time out of your busy schedule to read this letter and consider our needs.

Let me take this opportunity to introduce to you Tampa's 1st Men's National Ball Hockey Team. The Tampa Bay Thunder!!!

The NBHL is the United States 1st ever Nationwide Ball Hockey League. The inaugural 2021 season had 12 divisions consisting of 76 teams and 1500 players across 15 states. In 2022 NBHL will be adding many more states and Florida is on the list. The South-East division will have a team from Tampa Bay, Orlando, Daytona, Ft. Lauderdale and 2 Georgia teams. The 10-game season is from April to July and the winner of the division will advance to the finals.

Our team was formed to join and compete in The National Ball Hockey League. We have 22 elite ball hockey players on our team. This team will truly represent the different cultural background that make up our city and surrounding communities. Our goal is to provide an instructive environment to the players as well as team training programs and fielding a competitive team that enjoys success locally, regionally and nationally.

In order to continue to make this rewarding experience a reality for our players, we are offering local businesses like yours to become a team sponsor. The contributions received from our sponsors will be targeted to help provide uniforms and equipment for our players. We are asking for your support and hope that you will be able to assist with our program through a sponsorship or donation. It will help offset the cost for travel, lodging and food for our players and staff.

The Tampa Bay Thunder would be honored and privileged for you to be part of our team's success!!
